Dear Sasha,

### The Wiggles HQ

I just wanted to take this opportunity of sending you a brief note to thank you for your wonderful contribution in helping make our new headquarters a very special place. Not only have we achieved what we set out to do but we had a lot of fun and learning on the way too. All our visitors comment on the look and feel of the place. I'm sure you will agree, it's a pretty unique place.

You should be truly proud of the part you have played.

Wishing you every success in your future work.

Thanks again and best wishes

Mike
